Special Requests

Parents may request their child to play with a sibling. Parents may also request their child to play up one age level. Players cannot play down an age group. Parents may not request their player be added to a specific team or to be with a specific coach.

Age Verification

BISA is required to keep a copy of each player's state certified birth certificate (not hospital) or other government issued documentation showing birth date for a player to be added to a team. If the player was born in Texas a copy can be requested from the county courthouse.

Refund Policy

Burleson Independent Soccer Association (BISA) is an organization meant to provide an opportunity for Burleson Area youth to play the game of soccer at a recreational level. The BISA Board and Coaches have absolute control (within the extent of scheduling restrictions) as to selection of practice times, locations, and days. Youth are typically assigned to teams, uniforms purchased, and field insurance secured weeks in advance of practice and game field scheduling. BISA will not be refunding any players due to overscheduling or changing their minds.

All refunds will only be considered if they are requested due to one of the following reasons:

1. The player cannot be placed upon a team due to lack of volunteers, coaches, or players prior to the start of the season.
2. The player cannot play due to a medical reason; a physician's note must accompany the refund request. AND BISA may refund only 90% of your registration fee prior to being placed or drafted on a team, only 50% may be refunded after being placed or drafted on a team prior to the first game of the season, no refund after the season starts. BISA will not refund any online processing, uniform or late fees.

All refund requests must be presented in person, at the monthly board meetings on the 2nd or 4th Wednesday of each month.

Locations and times will be posted with the agenda on our website.
